4-H Share-the-Fun Contest Winners

STONEFORT'S BLUE RIBBON 4-H club presented one of the winning skits in the Saline County Share-the-Fun contest at the Harrisburg Junior high school Friday evening. The Blue Ribbon club gave a "Country Show," complete with square dancing, comedy, vocal and instrumental music. Members of the skit are Eddie Hill, Lindell Taylor, Jimmie Hill, Elaine Hill, Loreale Taylor, Rita Richerson, Linda Powell, Mike O'Keefe, Philip Stafford, Lenora Martin, Carolyn McSparin, Nan Hill, Sharon Murphy, Brenda Murphy, Philip Richerson, Lloyd Harris, "Butch" Roe and Ronnie Roe.

OTHER WINNING ACTS in the Saline County Share-the-Fun contest were, left, the Watson brothers, Ronnie and Jimmie, in a tap-dancing routine. They are members of the Southeastern Clodhoppers 4-H club, and right, Gerald DeNeal, of the Rudement Ramblers, who plays the mandolin and sings country ballads. The three winning acts from Saline county, plus Miss Loreale Taylor, Stonefort, mistress of ceremonies, will enter the district Share-the-Fun contest at Carni July 15. District winners advance to the state contest. Earl Lutz, Gallatin county farm adviser, judged the events Friday evening. (Daily Register Staff Photos)

Revival of Film Brings Problem To Timotheus

THEY NEEDED SOME FILLER down at WSL-TV the other night and part of the time was taken up by a Timotheus movie made back in 1948 when Timmo was forty pounds lighter and had more nerve than he has today because it would take nerve to go through some of the foolishness.

In one place Lloyd L. Parker was successfully selling me a piano, and the final scene of this particular part showed the piano being trucked off from the store.

Yesterday I received a letter from Mr. Parker, which said:

"After viewing the picture last night over television and seeing where I sold you a piano, the picture itself is evidence that you bought this piano. I have searched this store over and through all my books and I cannot find any record where you paid for this piano."

"Now, what am I going to do? I'll leave this wholly up to you and whatever answer you give will be okay. And when we get an answer your account for this piano will be marked 'Paid in Full'."

NOW MR. PARKER, if you consider an unpaid bill a problem, you should listen to MY problem. I HAVE a problem. It deals with where that piano went.

I got by with my wife pretty well regarding the scene where I followed the pretty girl who emerged from Johnny Towle's store, but that piano — that was something else.

Lou Eva saw me buy the piano from you when she first viewed the picture eight years ago and saw it hauled away in the truck, like it was going out to our house.

But, she contended, she never

Khrushchev Aim: To Equal U. S.

LONDON (UP) — Nikita S. Khrushchev declared today that the three deputy premiers fired for "anti-party" activities tried to change the Communist Party line and refused to believe Russia could catch up to the United States.

It was Khrushchev's first public statement since Wednesday's dramatic announcement which purged from the party leadership deputy premiers Georgi Malenkov, Lazar Kaganovich and V. M. Molotov for anti-party activity, and also removed three others from their party roles.

Of the three, Khrushchev said today Malenkov is the "worst" and is "afraid" to face the public.

Khrushchev told a mass meeting in Leningrad that his aim is to catch up with the United States in production of food and consumer goods.

Charge Actress Gail Russell After Auto Mishap

HOLLYWOOD (UP) — Actress Gail Russell has been charged with felony drunk driving as a result of the mishap Thursday in which she drove her car through the front window of a closed restaurant.

Dep. Dist. Atty. Marshall Schulman issued the complaint Friday and bail was set at \$1,000. Miss Russell, 32, was originally booked on a misdemeanor drunk driving charge and released on \$263 bond.

The brunette "hard-luck girl" of the movies was treated for facial cuts at the scene, Robert Reynolds, 21, a busboy at work in the coffee shop, was injured in the accident and hospitalized with a fractured leg and numerous cuts.

Police said Miss Russell insisted she had only two drinks. However, officers said, she failed to pass an intoxicometer test.

Korean Bonus Plan Before Voters in 1958

SPRINGFIELD (UP) — A 75 million dollar Korean veterans bonus plan will be submitted to the voters in November, 1958 for approval or rejection.

Gov. William G. Stratton Friday signed the bonus bill plan. The bonus would be financed through a bond issue to be paid off with a one cent a pack increase in the cigarette tax.

It provides payments of \$10 for each month served in the armed forces between June 27, 1950, and July 27, 1953, regardless of whether the service was in this country or overseas, plus flat payments of \$100 to holders of the Korean Service Medal and \$1,000 to next of kin of those who died in service.

Stratton acted on more than 150 bills on his first day back at his desk after a trip through the East and attendance at the governors conference.

Other bills signed by the governor will:

Raise from 17 to 18 the maximum age for admission of male children to the Illinois Soldiers and Sailors Childrens Home.

Require that radiation installations be registered with the Department of Public Health, and create the atomic power investigating commission which recommended such registration.

Require railroads to assure their cabooses carry an adequate supply of cool drinking water for employees.

Create a division of alcoholism in the Public Welfare Department for care and treatment of alcoholics.

Create a division of narcotics control in the Public Safety Department to enforce anti-narcotics laws and stiffen penalties for narcotics violators.

Re-create the narcotics and dangerous drugs investigating commission with an appropriation of \$30,000.

History of Cave Given at Historical Society Meeting at Cave-in-Rock

A royal welcome was given the members of the Saline County Historical Society at the July 2nd meeting at Cave-in-Rock. Members of the Kiwanis and Homemakers clubs joined to publicize the meeting and 85 townspeople and Society members were present to enjoy the potluck supper and the program which followed.

C. C. Kerr led a tour of the notorious cave at 6 p. m. He traced the history of the cave from its discovery by the French in 1729 to its purchase in the 1920s by the state of Illinois from Mr. McDonald, father of Mrs. Kerr. He said that there had been little change in the appearance of the cave in the last twenty years and ventured the hope that its natural beauty would never be marred.

Atty. Woodrow Frailey in reviewing "The Outlaws of Cave-in-Rock" pointed out that Rother had given the most authentic account of the cave that is in existence. In his introduction he stressed the agelessness of the cave, its use as temple of worship by the aborigines, and its archaeological importance.

Hopes Brighten For Drop In Highway Toll

By United Press

Motorists streamed onto national highways Saturday heartened by reports from safety experts that fatalities on the third day of the holiday week end had fallen short of pre-holiday estimates.

It appeared, in fact, that careful driving might result in a better highway record than a normal period of the same duration at this time of the year. The National Safety Council had forecast 535 deaths by midnight Sunday, and expressed hope the toll would be closer the normal four-day count of 465.

Multiple accidents, however, had already raised the count to 234, a survey by United Press at 10 a. m. C.D.T. Saturday, revealed.

Deaths by drowning reached a staggering 134. There was also 1 fireworks death, 7 dead in plane crashes, and miscellaneous deaths numbering 30. The total thus far: 406.

California, Ohio and Pennsylvania had 19 highway deaths, New York 18, Texas 17, Michigan 14, Oklahoma 12 and Illinois 10.

The worst traffic disaster, a car truck collision near Copemish, Mich., killed seven persons Friday night and injured three others. All seven dead were occupants of a car with Arkansas license plates, police said.

There was a rash of deaths involving persons in show business.

At Belle Fourche, S. D., a broken ladder rung sent a high stand performer plummeting 82 feet to her death. Mrs. Ethyl C. Hamilton, 55, known as Ethel D'Arcy, was giving her farewell performance before retirement, when the accident happened. At Prescott, Ariz., rodeo performer Odis Sullivan, 27, was trampled to death in a Brahma bull-riding contest.

11 Holstein Cows Killed by Lightning

BELLEFONTAINE, Ohio (UP) — A bolt of lightning lashed down a tree on the Joe Buck farm near here Friday and struck a herd of 20 registered Holstein cows, killing 11 of them.

Illinois Highway Deaths Rise to 10

By United Press

Ten persons have been killed in Illinois traffic accidents during the weekend holiday. Six of the deaths occurred on the Fourth of July.

The latest fatality recorded occurred seven miles east of Lawrenceville. Earl F. McKee, 65, Washington, Ind., was killed and four other persons injured.

McKee was a passenger in a car driven by his son Samuel, 22, a serviceman from Ft. Leonard Wood, Mo., which struck a bridge abutment.

The son, who reportedly fell asleep at the wheel, was in serious condition in a Vincennes, Ind., hospital.

Reaction by Congress

Halt Administration Plans to Cut Soil Conservation Subsidies

WASHINGTON (UP) — Congress put a stop order today in the path of administration plans to sharply cut back on soil conservation subsidies to farmers.

The administration wanted to drastically curtail the 1958 subsidies for certain conservation practices and drop others outright. That would add to the already huge stocks of government-owned surplus crops.

But Congress reacted quickly after the administration's quietly drafted plans came to light when a secret Agriculture Department memorandum came into the hands of several congressmen this week.

A Senate-House conference committee, reporting on a compromise multi-billion dollar Agriculture Department appropriation bill, said "flood and drought conditions in much of the nation make it imperative that all 1957 conservation programs practices be continued."

The committee also had reached its agreement secretly a week ago. But it made the report public Friday following disclosure of the department memorandum detailing the conservation cutback.

Ordering no changes in the program next year, the committee authorized 250 million dollars for

There will be fireworks at Karel Park tonight.

The big fireworks display, scheduled for a part of the July 4th celebration at Karel Park, was postponed due to the hard rain early Thursday evening and rescheduled for Saturday night.

Sergeant On Leave

Drowns at Pana

PANA, Ill. (UP) — S. Sgt. Ronald W. Bryson, 24, Pana, drowned Friday while swimming in a pond near Tower Hill.

Bryson was on leave from a Michigan air force base when the accident occurred.

A companion, Darrell Logsdon, Pana, said he and Bryson had been swimming about a half hour when Bryson went under. Logsdon's rescue attempts failed.

Soviet: Senate Republican Leader William F. Knowland (Calif.) said the Kremlin's political shake-up may result in a Soviet shift in tactics but not in long-range objectives. "It looks to me," he said, "like they've got just a different combination running things in the Kremlin." Sen. Hubert H. Humphrey (D-Minn.), a member of the Foreign Relations Committee, said the purge of several top Russian leaders represents a "new Soviet challenge . . . that makes our job tougher, not easier."

Television: The Federal Communications Commission—in a memorandum directed at Congress—steadfastly maintained it has the power to authorize pay-as-you-see television on a test basis. Chairman Owen Harris (D-Ark.) of the House Commerce Committee had protested the FCC's announcement May 23 that it has such authority regardless of whether it formally states its reasons. The memorandum said the commission has the power under a section of the Communications Act of 1934 to study new uses of radio and to "generally encourage the larger and more effective use of radio in the public interest."

Judge to Rule on Stay for Irvin

SOUTH BEND, Ind. (UP) — A federal judge today considered a stay of execution for "Chinese execution" slayer Leslie Irvin, 33, accused in the deaths of six persons.

Judge W. Lynn Parkinson said he would make a decision on the stay Monday. Irvin, a pipefitter from Evansville, Ind., is in a death-row cell at Indiana State Prison. Three stays of execution have been granted since his conviction at Princeton, Ind., 19 months ago for the murder of an Evansville filling station operator, W. Wesley Kerr.

When Irvin appears before Judge Parkinson Monday, he will learn if he is to die within 24 hours. His electrocution is set for Tuesday.

"I do not think that time is running out," Irvin told reporters Friday.

The Indiana and U. S. Supreme Courts have refused Irvin's appeals, and Gov. Harold W. Handley turned down his plea for a life sentence.

GREENWICH, Conn. (UP) — Paul Starrett, 90, builder of the Empire State Building in New York, died Friday.

Makes Flying Tour of Areas to Support Request

Holds Meeting at Airport with County Farm Leaders

Otto Steffey, president of the Illinois Agricultural association, hopped out of a plane at the Harrisburg-Raleigh airport this morning to get first hand information on crop loss in southeastern Illinois because of adverse weather conditions.

And he heard what he had been hearing in west-central and south-western Illinois—crop losses here will be heavy.

Mr. Steffey is making a flying tour of stricken areas to gather evidence to support a request that a 50-county area in southern Illinois be declared an emergency area so that farmers can qualify for three per cent interest loans from the Farmers Home Administration.

Gov. William G. Stratton has joined Mr. Steffey in the request.

Compiles Statements

Accompanying Mr. Steffey here were William W. Allen, director of publicity, IAA, and Don Peasley, IAA news service director.

The group arrived for the Harrisburg-Raleigh airport meeting at 8:30 a. m. after meeting Friday with farmers at Jacksonville, East St. Louis, Carbondale and Vandalia. He left Harrisburg for Lawrenceville and Mattoon.

Mr. Steffey is compiling tape-recorded statements from area farmers to back up the request for designation as an emergency area.

Ersel Vinyard of Mountain township, president of the Saline County Farm Bureau, told Mr. Steffey his estimate that the corn, soybean and wheat loss in Saline county might be close to 60 per cent, even if weather conditions are ideal the rest of the year.

Season Delayed Six Weeks

"You're optimistic, but of course you have a longer growing situation down here," Mr. Steffey replied.

Mr. Vinyard said that the season had been delayed for six weeks because of the rainy weather.

John Endsley, Harrisburg, who farms 400 acres, said that his land had been under water and that with a good late planting season he believed he could get one-third of a crop, compared with last year. He said he started planting corn July 4 and had about one-third of it in, by working until 11:30 at night in the field.

S. A. Mears, who farms east of Harrisburg, said bad weather had destroyed 62 acres of wheat, barley and oats, that he had just started planting his corn and soybeans.

"People around here have never seen such a delay," he declared.

Others Make Reports

Mr. Vinyard interjected that he had talked with a number of old farmers and all said they had never seen any season as late as the one this year.

A. A. Gholson, a farmer from the north part of the county, said lowland farmers in his area were still trying to plant corn and soybeans, and Ewell Harris, from the west part, and Orval Gribble, from the south part, told of the bad situations in their areas. A. K. Gates, from east of Harrisburg, saw a 25 per cent normal yield on wheat.

There were others who came up to give their views, all that yields would be short this year.

Loans Mr. Steffey is seeking on behalf of Illinois farmers who need them can only be made after normal avenues of farm credit have been exhausted.

You Don't Have to Be There, but Your Dollars Do

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Harry Truman Reminisces About Wars and Cabinet Members; He Once Proposed To Stalin That Suez and Panama Canals Be Internationalized; He Told Ibn Saud To Get Along With The Jews.

KANSAS CITY. — Harry Truman was in his usual bouncing mood when I saw him recently. A big pile of mail was on his desk. The American flag was beside it. "I'm just back from stirring up the animals in Washington," he said. "Somebody has to do it."

I reminded the former President that the last time I had talked with him he had predicted there would be war over the Suez Canal.

"That was in February 1956," I recalled, "which was five months before Nasser seized the Suez Canal, and nine months before war started. How did you know war was coming?"

"Very simple," he replied. "Russian arms in Egypt. When you have an arms build-up you have war."

"Would you have stopped that build-up if you had been in the White House?"

"We have enough ships in the Mediterranean," he replied "to throw a blockade against any vessel bringing in Russian arms. And the United Nations would support us in heading off war."

"At the Potsdam Conference," he reminisced, "I proposed that all important waterways be internationalized — Suez, the Dardanelles, Gibraltar, the Danube. I offered to internationalize the Panama Canal. Those waterways have got to be internationalized to keep peace in the world. We should have done it before Nasser seized the Suez."

STALIN LAUGHS

"The British were lukewarm," Mr. Truman replied. "Stalin said he couldn't do anything about the Dardanelles until the Montreux Convention expired. He wanted to control the Dardanelles himself and take it away from Turkey."

"Stalin always wanted a base in the Mediterranean. Now Russia has one in Albania and another at Alexandria, Egypt. I'll bet Stalin is standing up in his grave laughing."

"What do you think is the way to bring peace to that part of the world?" I asked.

"Just what I told you before," said Mr. Truman, proving that his memory was better than mine. "That is where history began. Most of our wars began down here," he pointed to the Suez Canal area and the Near East, "or in the Balkans."

"That's what Hitler was after — oil and a route through Suez. But we are not going to have peace until we readjust things. Two hundred families own most of the arable land in Iran. About 20 families or so own the best irrigated land in Egypt. I had a survey made when I was in the White House and it showed that the only way we could have peace

is to settle all these problems," he pointed to the entire map of the Mediterranean, "from the Adriatic to Morocco."

"We have to give the people here a chance to live and eat. Actually there is no reason why they can't get along together. I told that to Ibn Saud when I saw him."

"You are all cousins," I said. "You've got to get along with the Jews even if they do call you illegitimate. You can call them that too."

"What did Ibn Saud say?" I asked.

"Oh, he laughed and laughed and laughed," replied Mr. Truman. "We don't deny that Abraham's wife drove us out of the desert," he said.

FIRE TWO CABINET MEMBERS

I asked the former President whether any cabinet officer had ever opposed him or President Roosevelt in the same way Secretary of the Treasury Humphrey had opposed President Eisenhower.

"Not on the budget," Truman replied, "but Henry Morgenthau came to see me and said he wanted to go to Potsdam. I told him the place of the Secretary of the Treasury was in Washington."

"In that case," he said, "I will have to resign." "All right," I said. "You can write it out now" and I handed him a piece of paper. He resigned.

"Then there was Ickes. He was a great old boy," said the ex-President. "I liked him but he opposed me on Ed Pauley for Undersecretary of the Navy. I had a special reason for appointing Pauley to that job. He was tough enough to keep the admirals in check. But I couldn't make Ickes understand that and after he opposed Pauley's appointment he came to me and said he wanted to resign in six weeks."

"You have resigned already," I told him.

"Later he came to see me, I think in 1948, and said, 'I've got to get into this campaign. They are taking the country away from us. I want to make some speeches.'"

"So Ickes made some of the best speeches of the campaign."

I tried to get the ex-President to comment on some of the disagreements within the Democratic party, particularly the refusal of Sen. Lyndon Johnson of Texas to cooperate with the Democratic Advisory Committee on which serve Adlai Stevenson, Senator Kefauver, and Truman himself. But he shied away.

"It won't hurt us to fight among ourselves," he said, "just so long as nobody is underhanded. The Democrats are like the Irish—if they are not fighting the enemy, they fight among themselves. We used to have factional fights among the Democrats in Kansas City. It did us good to have those fights come out of our system. Just so long as we fight in the open and nobody nurses grudges it's a healthy system."

"If and Why"

1. IF it makes no difference as to what one believes just so he is honest, WHY did Paul say that we are chosen to salvation through sanctification of the Spirit and belief of the truth? (2 Thess. 2:13).

2. IF every man has a right to teach just what he wants to teach, WHY did Jesus warn against those false prophets? (Matt. 7:15-17). WHY did Paul warn against those who might teach another gospel? (Gal. 1:8). WHY did John warn against believing every spirit? "Beloved, believe not every spirit, but try the Spirit whether they are of God: because many false prophets are gone out into the world." (1 John 4:1). WHY did Paul warn Timothy to take heed to his doctrine as well as his life? "Take heed unto thyself, and unto thy doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee." (1 Tim. 4:16).

Ben Wintzers To Take European Tour

Mr. and Mrs. Ben Wintzer, RFD 4, Harrisburg, will leave their farm home at 6 a. m. Wednesday on the first leg of an extensive European tour. They will embark at New York airport Wednesday at 6 p. m., will arrive in London, England at 6 a. m. Thursday and probably have luncheon in their daughter's home at Alconbury Air Force Base, about 100 miles north of London, Thursday noon.

This would be an exciting enough adventure for almost any family, but to Mr. and Mrs. Wintzer, the greatest pleasure will be meeting their five months old twin granddaughters, Sybil and Tessie Winterberger, and greeting Capt. and Mrs. Charles Winterberger and the two older children, Ona, aged 13 years, and "Chuckie," age 7.

Capt. and Mrs. Charles Winterberger, the former Miss Olive Wintzer, left to take up service in England two years ago on the fourth of July. They went to Bedford, England, and took up residence in a chauffeur's cottage in Huntington. Their experiences in the cottage and their friendship with their landlady, is a story in itself, but this one is about the visit they will have from their parents and the great-aunt, Ona Winterberger, who will accompany Mr. and Mrs. Wintzer on the journey.

On July 21, Mr. and Mrs. Wintzer will take a tour of the continent by boat and bus, for a 15-day trip from London to Dijon, Aux-Les-Bains, Pisa, Rome, Florence, Venice, Lake Maggiore, and into Switzerland at Montreux, coming back to London and to the Alconbury Air Force Base to spend the remainder of their five weeks' vacation time with their family there.

Mrs. Wintzer, who has never been in a plane before, even rejecting the invitation of her son-in-law to ride with him, expects to enjoy every minute of her twenty-four hours in the TWA airship.

Fourth Of July Family Gathering

The L. L. Riegel home, RFD 1, Galatia, was the scene of a social gathering of the families of B. F. Moore and Mrs. Henry Riegel. Mrs. Mary Riegel, mother of L. L. Riegel is 84 years old, but there was another who outlived her in age, Mrs. Julia Moore, who is 93.

These families had never held a social meeting before, and it was a gala occasion, which will be repeated, no doubt.

There were fifty-one relatives and friends in attendance, some from states as distant as Florida, Georgia and Kentucky. Much of the entertainment was furnished by the playing of the Hammond electric organ and the piano in the home. Mona Jackson of Florida and P. T. Kimmel of Atlanta, Ga., were the musicians.

Families represented or present were Alf Droit of Galatia; Lloyd Kimmel, DeBary, Florida; Paul Droit, Galatia, Stanley Droit, East St. Louis; Reginald Riegel, Harrisburg; Rev. Dean Guye, Harrisburg; Margie Edwards, Marion; Naomi Jackson, DeBary, Fla.; Pete Kimmel, Atlanta, Ga.; Mr. and Mrs. Arthur Moore, Harrisburg; Mrs. Lou Vick, Harrisburg; Morris E. Parks, Eldorado; James Parks, Raleigh; Ralph McNeese, Harrisburg, and the honored guests, Mrs. Julia Moore and Mrs. Mary Riegel.

Justice Joseph Force Crater of the New York State Supreme Court disappeared at 9:15 p. m. Aug. 6, 1930.

Whiteside-Boren Marriage Solemnized At McKinley Avenue Baptist Church

Mr. and Mrs. Phillip Boren.

(Ronnie's Studio Photo)

An arch entwined with salal and lemon greenery with white majestic daisies, standards of white gladioli and white daisies and the altar beautifully draped in white, formed the background for the wedding of Miss Elaine Whiteside, daughter of Mr. and Mrs. Rolla Whiteside, and Phillip Boren, son of the Rev. and Mrs. J. D. McCarty. The marriage was solemnized in the McKinley Avenue Baptist church at 8:30 p. m. Wednesday, June 26.

The Rev. J. D. McCarty, pastor of the church, performed the double ring ceremony in the presence of a large group of relatives and friends.

Mrs. Loreli Keltner, organist, played the nuptial music before the ceremony and the traditional processional and recessional wedding marches. Miss Judy Hicks sang, "I Love You Truly," "Al-ways" and "The Lord's Prayer." The bride wore a ballerina length imported Chantilly lace dress of white with a sweetheart neckline relieved with blue muslin de soire. She wore a shoulder length veil secured with a small white hat. She also wore a strand of pearls, a gift from the bridegroom. She carried a cascade bouquet of shasta daisies.

She was given in marriage by her father. Miss Judy Whiteside, sister of the bride, served as maid of honor and wore a full skirted dress of light blue glazed cotton. She carried a colonial bouquet of baby mums.

Ron Wilson served as best man. Trevor Whiteside, brother of the bride, and Barney Boren, her uncle, of the bridegroom, served as ushers.

The bride's mother wore a pink silk ensemble with pink and black accessories. Her corsage was of white chrysanthemums. The mother of the bridegroom chose a printed silk suit with black accessories. She wore a corsage of white pom-poms.

Miss Barbara Upchurch kept the guest register.

Following a short wedding trip to Kentucky, Mr. and Mrs. Boren are at home to their friends at 507 South McKinley.

Sunday School Lesson

By Dr. Archie E. Brown
Pastor First Baptist Church
Vandalia, Ill.

'Miriam, A Leader in Israel'

Exodus 15:20-21; Numbers 12:1-15
GOLDEN TEXT: "A woman that
feareth the Lord, she shall be
praised." (Proverbs 31:30).

INTRODUCTION — The study
of biography, can be very interest
ing and inspirational. This is es
pecially true when one knows that
the biography is absolutely true.
We are entering on a series of
Sunday School lessons now which
should be both interesting and in
spirational, because the characters
to be studied are biblical charac
ters. The Bible never "whitewash
es" the character of any individual.
The record is true to the last let
ter.

We begin, in this lesson with
the study of Miriam, the sister of Mo
ses. We find that she made some
serious mistakes. We find that her
conduct on some occasions was sin
ful. The lesson we are to learn is
to avoid making the same mis
takes and committing the same
sins.

Miriam, being Moses' sister, was
in the limelight. She even enjoyed
a place of leadership. Had she not
permitted pride, envy and jealousy
to enter into her heart, her name
might loom large in history. How
ever, she did permit evil thinking
to become her master. My! how
she did have to suffer as a conse
quence. Others around her missed
untold blessings because of her
failure to follow God's will.

1—MIRIAM'S FAITHFULNESS
(Exodus 15:20-21)

Recall, if you will, how Moses
came to be raised in Pharaoh's
palace. His mother placed him
(when just a infant) into a pitch
covered basket. She placed the
basket among the bulrushes, along
the Nile River, near the palace.
She stationed Miriam nearby.
When Pharaoh's daughter found
the baby Moses it was Miriam who
suggested that the baby be reared
by a Hebrew nurse.

Years have passed. Moses has
now become a mighty military and
spiritual leader. God has blessed
him every step of the way. He has
led the Children of Israel out of
bondage in Egypt. The miraculous
Red Sea crossing has been accom
plished. The first 19 verses of this
chapter record the beautiful song
of Moses, praising God for His
leadership and blessings.

We find (V. 20-21) Miriam gath

ering the women of Israel together
and leading them in singing the
beautiful response to Moses' song.
We see her here as a leader.

Leadership carries with it re
sponsibility. When a leader begins
to become proud of his accomplish
ments and to say: "Look at me;
see what I have done," he (or she)
is headed for downfall. "Pride
goeth before the fall!"

II—MIRIAM'S SIN — ITS RE
SULTS (Numbers 12:1-10)

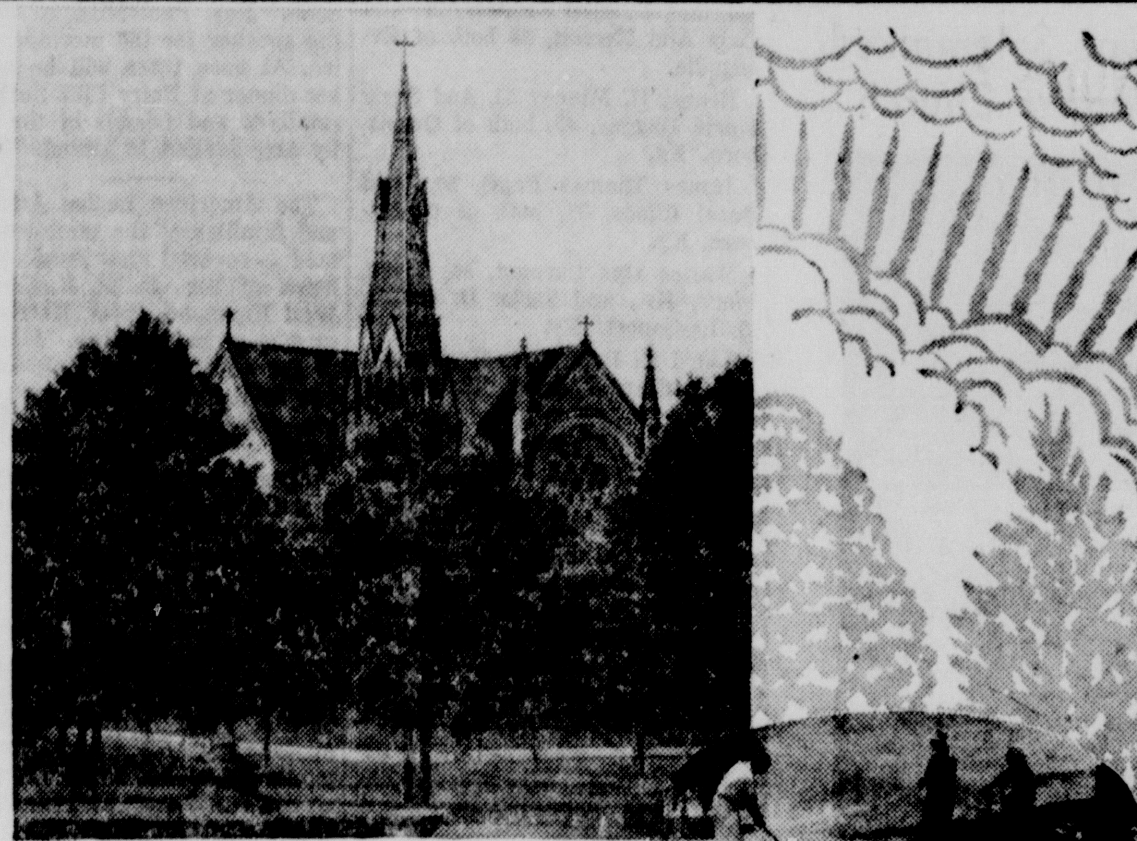

Here is a warning to anyone who
would try to deal harshly with one
of God's leaders. Moses was God's
chosen leader. He had married a
Cushite woman. This was none of
Miriam's business. For some rea
son she became very critical of
Moses. "It was none of Aaron's
business. He joined Miriam in the
criticism. Aaron was angry be
cause Moses had chosen the 70
elders without consulting him.
Miriam and Aaron got it into
their heads that they were just as
important as Moses. Here they
made their mistake.

God became angry! Will you
please note this. God became an
gry! If you are one who goes
about always speaking of the love
of God, please remember that He
can become an angry God. Never
think for one minute that you can
set aside His will and not suffer
for it.

When God got through with her,
Miriam was covered with the
dreaded disease, leprosy. Please
remember that the same God is on
His throne today. You cannot dis
obey Him and escape the conse
quences. You cannot slander, abuse
or harm one of His leaders today
without suffering for it.

Note, also, that God withdrew
the pillar of cloud from Israel by
which He had been leading them.
A whole nation was halted because
of the sin of one woman. Do you
know of a family, a group, or even
a church family whose progress
has been stopped by the sin of
self-appointed critics? It does hap
pen today!

CONCLUSION (Numbers 12:11
15) Aaron expressed repentance
and begged for forgiveness for Mi
riam and himself. Notice how true
Christian will always forgive.) For
seven days Miriam was shut off
from Israel. During this period

LOOKING FOR GOD

Some say you find God just as well in
a garden, in the woods, or on a golf
course as in a church—that God is
everywhere. But be honest about it.

Are you not more apt to think of
weeds, or mosquitoes, or a poor shot
than you are of God? And after all, you
have made this outing to seek pleasure.

But when you go to church, it is with
the specific intention of worshipping.
Here you engage in prayer, praise and
thanksgiving. Here you mingle with
people who are seeking God and have
come to feel His presence. In the quiet
beauty of a church you find few outside
distractions, and you know that this
place is dedicated to the service of
God.

For peace and happiness which comes
from really feeling God's presence,
worship in the house of the Lord this
Sunday—make it a regular practice.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest fac
tor on earth for the building of
character and good citizenship. It
is a storehouse of spiritual values.
Without a strong Church, neither
democracy nor civilization can
survive. There are four sound
reasons why every person should
attend services regularly and sup
port the Church. They are: (1) For
his own sake. (2) For the sake
of his community and nation. (3)
For the sake of the Church itself,
which needs his moral and mat
erial support. (4) Plan to go to
church regularly and read your
Bible daily.

Items of Agricultural Interest

GROWING APPETITE—The nation's appetite has increased as a result of the population boom and the American farmer is working to meet the demand. Newschart shows several typical food items and the percentage of increase in consumption in 1954-56, as compared with 1948-50. Despite the 2½ to 3 million increase in population each year, however, markets for some products have been shrinking.

Plowing Old Pastures Doubles Legume Yields

Renovating permanent pastures by plowing and reseeding with a good legume-grass mixture will double your field of permanent pasture, says W. O. Scott, University of Illinois pasture crop specialist.

Plowing will improve the legume stand by killing all competing vegetation. It may be used throughout Illinois except for some of the more hilly parts of the southern and northwestern area.

If steep slopes are plowed, the

erosion hazard can be reduced by using a nurse crop, such as spring oats, spring wheat or winter oats.

Soils should be tested before legumes are seeded, and lime, potash and phosphate should be added if needed.

"Fall planting is best because it takes six months for lime to react thoroughly," Scott said.

Mixtures of grasses and legumes for pasture produce higher yields and increase the pasture season. Scott recommends using alfalfa with fescue or brome. Fescue presents a problem if allowed to go to seed and become unpalatable.

A combination of rust-resistant strains of alfalfa and brome will last 5-7 years, Scott said.

Noies From Farm Adviser

The May rainfall has delayed most farming operations. I have checked with agronomy departments from the University of Illinois on things to advise farmers. Some points to remember are that short-season corn usually has a low yield per acre. Full season corn should be planted up to June 15 and might mature a week or 10 days later planting. Of course, there is no need to suggest as early planting as soil conditions will permit. Most operators are anxious to get into the field at first opportunity.

The type, growing period and lateness of first frost will also determine proper maturity of corn. Plenty of phosphate and potash will tend to hasten maturity. Extra nitrogen will prolong the growing period. Nitrogen is essential as other elements but heavy applications are not recommended for late planting.

60 to 80 pounds per acre of N2 is not too heavy but 100 to 125 pounds would keep nitrogen present in the soil over a longer growing season. This would have a tendency to keep the corn green and growing several days longer.

If the season is late, beans can replace corn, but it seems farmers plan to grow more beans than last year. The price will be lower with extra soybeans being produced. Beans seem to have the ability to hurry up and mature better than corn.

The wheat in this part of the state has been hurt by water standing on the land, even several inches high in the wheat bottom land, the wheat being completely covered up or nearly covered. This may or may not be a total loss depending on how long this condition lasts.

To determine damage sustained will only be found out after harvest.

Sudan grass may be used for extra pasture but most grasses have made excellent growth so there does not seem there will be too much scarcity of forage crops. If Sudan is used, use piper strain or variety as it is more palatable with more sugar and starch in the plant tissues. Sudan does make a quick heavy growth and will replace several acres of short grasses.

Beef cattle, sheep and dairy cows are the best possible answers to marketing grass. There is more interest in them at present. There is not so much interest in getting them to market now. Many of the ranch country could use more for grazing the range as they were forced to cut down the past two years due to drought. Now they could use them. This gives some strength to beef business.

Lamb Pool
The second lamb pool was held at Robbs May 24 with about 100 lambs sold to Swift and Co.

The top lambs or "Double Blues" sold for 24c per pound, blues at 22c, reds 17.5c, yellows 15c, old ewes 4.50 per hundred weight. This is the system of grading lambs. Prime lambs are classed as double blue or have two blue marks placed on them when handled for fatness in grading. Choice lambs get one blue mark, good a red mark, etc., much the same as grading fat steers.

Farmers with a few lambs can market them at the pool, and they will be sold with others according to grade. The shrinkage is less than on a longer haul to St. Louis or eastern markets.

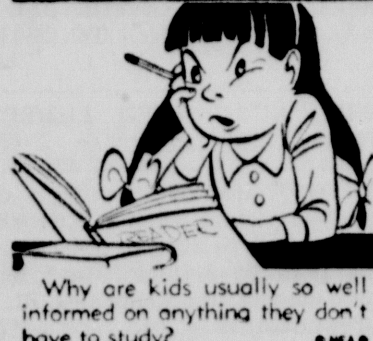

Following sale dates at Robbs are: June 14, June 28, July 19, August 16, Sept. 6, Sept. 27, October 18 and Nov. 15.

Farmers in this area may market on any of these dates between 8:00 a. m. and 12:00 noon.

The lambs are sold by telephone or to a buyer on the ground. Producers from Saline County on May 24 were C. D. Ludlow, Cecil Nelson and Reuel Thaxton.

The four-mile ferry boat trip between San Francisco and Alameda, across San Francisco Bay, takes only 18 minutes.

LITTLE LIZ

Why are kids usually so well informed on anything they don't have to study?

EGG-CENTRICITY—A new wrinkle in the art of egg laying is admired by Mrs. Roy Cott, of Leavenworth, Kan., who holds a peanut-shaped specimen. The freak egg was sent to her by her mother, Mrs. E. R. Dixon, of Topeka, Kan., who got it from the nest of a white leghorn hen.

New Wheat Grades Mean More Discounts on Illinois Wheat

Three changes in wheat grades will have important effects on wheat marketed by Illinois farmers this year, reports L. F. Stice, University of Illinois marketing economist.

Under the new grading standards, No. 2 wheat cannot have more than 5 percent wheat of other classes. Formerly it could have 10 percent of other wheat. So under the new grades, much wheat will likely grade No. 3 that under the old standards would have graded No. 2.

Stice points out that wheat may be bought on the basis of No. 3 grade and at a lower price than No. 2. Under the loan program No. 3 wheat will be discounted 3 cents a bushel, while No. 2 will be discounted only 1 cent.

Another important change in the grading system requires that hard red winter wheat contain at least 40 percent of "dark, hard, and vitreous" kernels. Formerly this minimum was 25 percent.

This change will mean that a larger part of Illinois wheat will be classed as yellow hard winter. This kind of wheat tends to be lower in protein and sell for less than hard and dark hard wheat. Foreign buyers particularly discriminate against yellow hard wheat because they want a high-protein wheat to blend with their own low-protein wheat.

Stice reports that preharvest bids for yellow hard wheat have carried discounts of 1 to 3 cents a bushel. These discounts may widen or disappear, depending on the relative supply of yellow hard wheat. The government loan program carries a 2-cent discount for yellow hard wheat.

The new grades allow less foreign material in the top four grades of wheat. No. 1 wheat can now have only 5 percent of foreign material, No. 2 only 1 percent, No. 3 only 2 percent and No. 4 not more than 3 percent. Except

during rainy harvests or in very weedy fields, most Illinois wheat can be harvested with less than 1 percent of foreign material, Stice points out.

The net effect of the new grade changes will be lower returns to farmers for wheat, especially yellow hard wheat. And problems of grading for the grain trade and licensed grain inspectors will be intensified.

Pure Bred Sale At Dixon Springs

URBANA — More than 60 head of purebred Hampshire, Suffolk and Targhee rams and ewes will go on sale at the University of Illinois Dixon Springs Experiment Station on Thursday, July 11, at 1:00 p. m. CST.

The Station is located near Robbs in Pope county. You can reach it by taking State Highway 145 south from Harrisburg.

Each animal will be sold to the highest bidder without reserve. Auctioneer will be W. L. Dameron, Vienna.

Mail bids will be handled by G. R. Carlisle, extension livestock specialist at the University of Illinois College of Agriculture. Mail bids to him at the Dixon Springs Station, Robbs.

All animals are guaranteed to be breeders if properly fed and managed. Adjustment will be made in case of failure to breed.

Production records that include weaning weight and yearling weight will be available for each animal. Write for a catalog either to the Station at Robbs or to the College of Agriculture, 110 Stock Pavilion, Urbana.

Bidders should specify mines from which coal is to be secured. FRANK G'DCUMB, President Board of Education.

W. B. WELCH,
Secretary Board
of Education. 7-2

NOTICE FOR BIDS

The Board of Education, District No. 101, Saline County, Illinois, will receive bids for coal for the school year 1957-1958 at the desk of Eltis Henson, Principal of Harrisburg Township High School, in the school building on or before 7:00 P. M. Thursday, July 25, 1957.

Bids should be computed on the basis of filling school bin with 1 1/2 inch No. 5 vein Saline County washed and oiled stoker coal before October 1st, and refilling during the school year as needed.

All coal so delivered shall be weighed on the Harrisburg Mill and Elevator Company scales and bids shall include the cost of weighing.

Bidders should specify mines from which coal is to be secured. BERT GASKINS, Secretary Board of Education, District No. 101, Harrisburg, Illinois 7-2

House Committee Approves Bill to Require Humane Slaughtering Methods

WASHINGTON, D. C. — A bill requiring that humane methods of slaughter of food animals must be used by any slaughterer or processor who sells to the federal government was approved today by the House Committee on Agriculture by a vote of 25 to 3, and is now awaiting action by the full House of Representatives. The bill, H. R. 8308, was drafted by the Hon. W. R. Poage of Texas, chairman of the Subcommittee, who had conducted hearings on the seven humane slaughter bills which were introduced early in the session.

H. R. 8308 establishes the use

Waves Swamp Boat; 3 Rescued

CHICAGO (UP)—Three young men, their boat swamped by waves 15 miles out in Lake Michigan, were alive today thanks to an alert officer on an ore freighter.

Louis Mucciante, 21, and Otto Wimpffen, 19, both of Chicago, and Herbert Artelt, 19, struggled to stay afloat for five hours Friday before being rescued.

Mucciante and Wimpffen, who kept their friend afloat for an hour when he became unconscious were released after examination. Artelt was kept at American Hospital, suffering from exposure.

The trio had cast off at the Wilmette, Ill., harbor, early Friday morning, outward bound for a week end trip at Saugatuck, Mich., across the lake.

Two-foot waves swept over the deck of the 16-foot outboard craft one hour later. Desperately, they bailed and finally abandoned ship when they saw it was going under. The boat stayed afloat, however, and the young men fought for survival for five hours.

saw the piano and wondered just who was the lucky person.

However, time solves all situations and the little matter was really forgotten—I think. Then the film was revived and revived along with it was this: "I never got that piano—just who did?"

So that is my answer, Mr. Parker. I cannot be bothered with such a trivial matter as an unpaid bill for a piano. I have to get my house in order all over again.

A former Harrisburg young man, James R. Hunter Jr., has invented a game and he'd like to manufacture it in Harrisburg if he gets it patented.

It would be made entirely of plastics, and would start out on a small scale, he writes.

"We need help from Harrisburg to start our organization. We will employ local people. We'd like to form a corporation to make these games in Harrisburg. Can we count on Harrisburg to accept us and help us get our start there?"

Hunter, who is working for McDonald Aircraft in St. Louis, lives at 1832-A State Street, Granite City, Ill.

Students Entering High School as Freshmen Need Physical, Dental Exams

All students entering high school as freshmen are required by state law to take physical and dental examinations it was pointed out today by Eltis Henson, principal of the Harrisburg Township High School.

Forms to be completed for the exams have been placed in all physician and dental offices Mr. Henson declared and are also available at the HTHS office.

The completed forms will be turned in at the HTHS at the time of enrollment this fall.

Treasure Hunt Switches Over To NBC Slot

BY WILLIAM EWALD
United Press Staff Correspondent
NEW YORK (UP)—The channel swim . . .

Jan Murray's "Treasure Hunt" will take over half the time slot of the Arlene Francis "Home" show on NBC-TV starting Aug. 12. "Treasure Hunt" is the sixth ABC-TV program to drift recently into the NBC-TV camp. The others are "Dollar a Second," "Masquerade Party," "Amateur Hours," "The Vise," and next season's "Omni-bus."

CBS-TV is pitching a new type of dramatic series at Ralph Bellamy—one concerned with the problems of a business man . . . Robert Strom, the youngster who coped \$192,000 on "The \$64,000 Question," had his monthly allowance raised from \$2.50 to \$3.50.

NBC-TV is mulling over a Saturday evening show for next fall that would combine the talents of Peggy Lee and Dean Martin—it would follow the Perry Como hour . . .

Mike Wallace has landed Texas businessman Glenn McCarthy for one of his upcoming ABC-TV interview shows.

Andre Baruch, the announcer who checked out of "Your Hit Parade," is cooking up a TV program, "Double Exposure," that would center around ordinary citizens who look like celebrities. . . .

Tommy Leonetti, the singer who'll check into "Your Hit Parade" next fall, has enrolled at June Taylor's Dance School for footwork lessons.

Hildegard plans to film a variety TV series, "The International Show," abroad — Paris, Copenhagen, Madrid, Rome, Buenos Aires and Tokyo are among her initial stops. . . . Kaiser Aluminum will present a 60-minute saddle soap opera, "Maverick," on ABC-TV next season on Sunday nights — the company has scotched plans to slot first run films opposite CBS-TV's Ed Sullivan and NBC-TV's Steve Allen.

Betsy Palmer is stepping off the panel of NBC-TV's "Masquerade Party" for three months to star in a film, "Tin Star"—she'll be replaced on the TV show by Bette Davis. . . . Comedienne Pat Carroll will fill in for panelist Ilka Chase on the same show this summer when Ilka takes a three-week vacation.

William E. Robinson, Former Thompsonville Resident, Dies

William E. Robinson, 79, formerly of Thompsonville but more recently living in Murphysboro, died in the Holden hospital, Carbondale, at 5:15 p. m. Friday. The body will lie in state at the Courtney funeral home in Galatia and the funeral will be held there at 2 p. m. Sunday. Burial will be in the Brady cemetery, east of Akin.

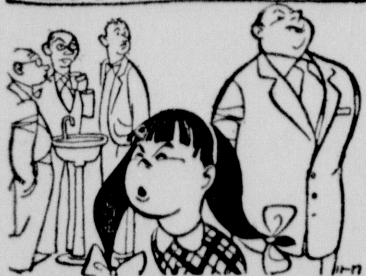

Mr. Robinson is survived by his sisters, Mrs. Vern Williams and Mrs. Kate Hicks of Carbondale; his brother, Frank Robinson of Carbondale; his stepson Glen Clark of Fulton, Ky.; his stepdaughter, Mrs. Velma Clark of West Frankfort, and a granddaughter, Glenda Clark of Fulton.

Kincaid Barbecue Expands at Eldorado

The growing business district on U. S. 45 at Eldorado, has been further improved within the past few weeks by enlargement of a very popular eatery, the Kincaid Barbecue, operated by Mr. and Mrs. Freeman Kincaid.

The owners who have been in business there since 1945 have added a dining room which will seat 30 people and increases the seating capacity of their restaurant featuring pit barbecue, seafoods etc., to 45 people, announcement of which appears in an ad in today's Register.

IMPORTANT NOTICE

TO ALL

AUTOMOBILE OWNERS

Sooner or Later You Are Going to Trade Your Present Car on a New One

GOVERNOR WILLIAM G. STRATTON
Has already vetoed a bill for you to continue to receive a 3% tax credit on your used car when you trade it in on a new one. In other words he wants you to pay a 3% tax on the total selling price of the car. We now collect 3% on the cash difference between your used car and the new car that you purchase. In short 'The Governor' apparently is of the opinion that the buyer of a new car can just keep on paying -- The Governor probably hasn't bought one himself since early in 1953 and doesn't realize that a new car today is pretty expensive -- let alone an additional 3% tax charge on the car you trade.

A NEW TRADE-IN TAX EXEMPTION BILL . . .
House Bill No. 1127 has already passed the House and is now pending before the Senate. We think that the Senate will pass this bill, but we have reasons to believe that Stratton will veto it. We dealers think it unfair to ask you to pay a tax on a car you own and on which you have already paid an Illinois state tax.

So please write the GOVERNOR NOT to veto House Bill No. 1127.

Mizell Hurls Cardinals Into First Place with 4-3, 11-Inning Victory Over Reds

By United Press
Wilmer (Vinegar Bend) Mizell provided strong evidence today that he's ready to throw his weight into the St. Louis Cardinals' pennant push.

The team's No. 1 disappointment since spring training, the hard-throwing southpaw pitched the Cardinals into first place in the National League scramble Friday night when he beat the Cincinnati Redlegs, 4-3, in 11 innings. It was by far the best effort of the season for Mizell, who dropped six of his first seven decisions.

The Milwaukee Braves remained in third place when they dropped a 7-4 decision to the Chicago Cubs, the Brooklyn Dodgers downed the Philadelphia Phillies, 6-5, and the New York Giants walloped the Pittsburgh Pirates, 11-6, in the other National League games.

The New York Yankees maintained their three-game lead in the American League when they shaded the Washington Senators, 5-3, in 10 innings and the second-place Chicago White Sox drubbed the Cleveland Indians, 14-4. The Boston Red Sox beat the Baltimore Orioles, 7-5, and the Detroit Tigers whipped the Kansas City Athletics, 8-5.

Mizell, who beat the Redlegs five times last season when he was the Cardinals' leading winner with 14 victories, yielded nine hits and struck out seven batters in gaining his second triumph. The Cardinals scored their winning run when Ken Boyer singled to open the 11th, moved to second on Hal Smith's sacrifice and tallied on Joe Cunningham's double.

Don Gross, third Cincinnati pitcher, suffered his fifth defeat. Rookie Jerry Kendall hit his first major league homer and Don Elston won his second game as the Cubs tagged Milwaukee's Bob Buhl with his fourth loss. Hank Aaron hit his 27th homer and Johnny Logan also homered for the Braves, who have dropped four of their last five games.

Roy Campanella walloped a three-run homer off Robin Roberts in the eighth inning to help Brooklyn's Roger Craig win his third game with ninth-inning relief assistance from Johnny Podres. The loss was Roberts' 11th of the year and his fifth in a row.

Ed Bressous, just recalled from Minneapolis, Bobby Thomson, Dusty Rhodes and Gail Harris homered as the Giants snapped a five-game losing streak with a 10-hit assault on four Pittsburgh pitchers. Johnny Antonelli went only six innings but picked up his seventh win. Frank Thomas and Bill Mazeroski homered for the Pirates.

Mantle Hits No. 1,000
The Yankees scored two runs on only one hit in the 10th to score their ninth victory in 10 games after the Senators tied the score in the bottom of the ninth. The Senators had the bases filled and one out in the ninth when Art Ditmar got Roy Sievers to hit into an inning-ending double play. Mickey Mantle singled during the Yankees' three-run eighth inning to collect the 1,000th hit of his career.

Davey Moore Wins Decision Over Martinez

WASHINGTON — Davey Moore, who won an upset decision over Isidro Martinez in a nationally televised fight Friday night, said today he would offer a \$25,000 guarantee to Hogan Bassey to defend the world featherweight title against him.

Manager Willie Ketchum said Moore, a 21-year-old from Springfield, Ohio, would meet Bassey anywhere, but prefers Madison Square Garden in New York. Moore floored Martinez, the sixth-ranked feather by the National Boxing Assn. and an 8-5 favorite, in the seventh round, but the Panamanian arose and fought back briskly in the eighth round.

However, Moore, who had been in command in the early rounds and then lost some ground to Martinez' rally in the middle rounds, won comfortably on all cards. Judge Charley Buck and referee Eddie La Fond each scored it 95-89 for Moore, and judge Benny Alperstein made it 97-83. United Press had it 96-91 for Moore and 6-3-1 in rounds.

LOSING BATTLE—A grim, nail-biting group of Dodgers inhabit the Brooklyn dugout as the defending National League champions fight to stay out of the second division. Looking sad are, left to right, Manager Walter Alston, Recruit Pitcher Dan McDevitt, Infielder Pee We Reese and Pitchers Don Drysdale, Sandy Koufax and Johnny Podres. It's a tough life.

Looking At Sports
By BILL MELTON

The second — and usually considered the most important — milestone in the major league races has passed and once again the New York Yanks seem to have the American league race pretty well under control.

Following game of July 4 the Yanks held a three-game advantage over the runner-up White Sox of Chicago. Tradition has it that the league leader on July 4 will go on to take the league championships.

Of course the National League chase is so close it wouldn't be fair to four other clubs to say anyone in the league is in command.

The so-called milestones in the league races are May 30, July 4 and Labor Day. When the first was passed the White Sox were leading the American League by three games and in most quarters it was hoped the Sox would go on and take the title. Fans figured it would make for a more healthy league if someone broke the Yank stranglehold on the league.

But it apparently isn't to be. The Yanks have been playing winning ball, but even worse, the Sox have stumbled badly at times.

Carrier Mills is still looking for a home basketball game to be played the first half of January. Coach "Kayo" Willis would like to fill a home spot and has listed three dates—Tuesday, Jan. 7, Friday, Jan. 10, or Saturday, Jan. 11—as acceptable to him.

In fact, Willis needs a game to the extent that he would go out of town, but that would throw the schedule out of the preferred 10-at-home and 10-away balance.

Anyone interested in playing the Wildcats on any one of the above three dates may contact Willis at the Carrier Mills high school.

Still on basketball—Willis states that the second annual Carrier Mills holiday tourney will be played just after Christmas with Metropolis, Rosiclare, Johnston City and the host school filling out the field.

This will be Johnston City's first appearance, but the other three were in the original meet staged last year. JC replaces Eldorado who accepted an invitation to play in the Egyptian Holiday, meet which will be held at Harrisburg this year.

Good idea department — Notice where it has been recommended in high places that numerals two to three inches high be painted on the sides of football helmets. Football isn't too far in the future and anything that will aid in identification of players certainly has my personal support.

The West Frankfort high school has experienced an unusually heavy turnover in its coaching ranks.

Jim Lovin, head football and track coach, has moved on to Taylorville. Dean Renn, assistant coach, will be top man in football and track at Metropolis next season. Tom Millikin, another assistant, was promoted to head football and track at West Frankfort early this week and then resigned.

George Iubelt, head basketball coach the past few years, is the only head coach still at West Frankfort.

It is reported John Tidwell, all state basketball player from Herrin, will definitely enroll at the University of Michigan. His all-star teammate Ivan Jefferson is said to still be undecided between Wisconsin and Kansas.

Texas, largest state in the United States, has the most counties, with 254. Georgia with 159 counties ranks second.

BARBECUE—Bandleader Spike Jones demonstrates that he's serious about reforming his band—and his wardrobe. Spike and his wife, Helen, "barbecue" his loud plaids in the backyard of his Beverly Hills home. It's navy blue cashmere from now on for Spike, who's determined to get rid of his "musical clown" title. He says his television audience "likes the old favorites."

Martin Oil, Athletic House, McKinley Baptist, Ridgway Win Kiwanis Tilts

Martin Oil beat Coca-Cola, 11-5, Athletic House blanked Shawneetown, 5-0, McKinley Avenue Baptist defeated Sahara Coal, 10-6, and Ridgway edged First Baptist, 7-6, in Kiwanis league play Friday.

Betz hurled a two-hitter and struck out 10 to lead Martin Oil to victory over the Cokes. Gibbons was the hitting leader with a homer and two singles, Hickey singled and doubled twice, and Reynolds, Howton, Lucas and Lambert hit safely once. Reed doubled and Darrar singled for the losers.

Shelton pitched a one-hit shut-out and collected three of his team's five hits as Athletic House won over Shawneetown. Shelton, who walked only one, struck out seven in the seven-inning contest. Vick and Cleghorn also hit safely for the winners and Browning picked up the lone Shawneetown bingle. Awalt was the losing pitcher.

McKinley pounded out 11 hits in winning from Sahara Coal, 10-6. Syers was the winning pitcher, giving up nine hits and striking out seven. Beggs tripled and singled, Hefner doubled and singled, and Langford and Shelton singled twice to lead the winners at bat. Strick-

VFW to Play Lexington Tonight; Cisne Here Sunday

The Lexington, Ky., Parkette Drive-In team, featuring ex-professional and college players, will tangle with the Harrisburg VFW baseball team on Memorial field here tonight at 7:30. Tomorrow the Cisne Oilers will visit Harrisburg for an Oil Belt league game.

Big Bill McNew will start for Harrisburg tonight. McNew features a fast ball along with a good curve and slider. His last two pitching outings have been victories and he has allowed only five hits in 14 innings.

The Harrisburg infield of Bob Dallas, Don Stout, Carl Griffiths and Dick Odle compares favorably with many high minor league infielders. Defensively Harrisburg has a fine outfield too, with lanky Don Wallace in left, Rod Smith in center and strong throwing James Hay in right.

Dallas, Griffiths and Odle are the team's top three hitters, all hovering around the 400 mark. Dick Romonosky, Bill McNew and Don Wallace are hitting at a .300 clip.

Local fans are invited out to see the team in action.

Bobby Locke Wins British Open Golf Title

ST. ANDREWS, Scotland — Bobby Locke of South Africa, who won, and Cary Middlecoff of Memphis, who finished 14th, agreed today on one thing about the British Open golf championship.

Middlecoff didn't get in enough practice licks on the tough, old seaside course known as the "cradle of golf."

Be-knickered Bobby, who could afford to be generous after pocketing \$2,800 for his fourth British Open victory with a record-tying 279, said he was surprised Middlecoff hadn't done better but pointed out "he simply didn't allow himself enough time to get acquainted with the course."

To that, Dr. Cary added "Amen."

Middlecoff was 10 shots behind — 289. Locke with rounds of 72-71-74-72 Frank Stranahan of Toledo had no better luck than Middlecoff. His final rounds of 74-72 put him in a tie for 19th at 291.

Peter Thomson of Australia who closed with a pair of 70s, made a game bid to retain the title he had won for three straight years but Locke beat him by a total of three shots as he closed with his 68-70.

Thomson was second with 282, worth \$1,400, and Eric Brown of

Scotland was third at 283. Angel Miguel of Spain finished fourth with 285 and among four tied at 286 was the leading amateur, Dick Smith of Scotland, who fell one short of Bobby Jones' amateur record for the tournament.
